A man in a light blue striped shirt and a black lanyard is smiling and pointing at a world map. The map is displayed on a dark background, with landmasses highlighted in a vibrant green. A dashed green line, likely representing the equator, runs horizontally across the map. In the lower-left quadrant, a solid green circle contains the white number '9.421'. The man is positioned on the right side of the frame, looking towards the camera while his right hand points towards the map. The background to the right shows a modern office interior with large windows and a dark ceiling.
